SUBJECT: Recognition of Newfoundland Customs Officer George Arthur Jackman

Dear Mr. Browne,

As the National President of the Customs and Immigration Union (CIU), and on behalf of all the men and women we represent in the Customs and Immigration Service across Canada, I wish to formally thank you for your research, for having brought Officer Jackman's tragic death to light, and for having personally submitted Brother Jackman's Police & Peace Officer Memorial application.

Because of your devotion to such fundamentally important matters, this year marked a very special Memorial Service for CIU members as one of our own fallen Officers has finally been recognized for having made the ultimate sacrifice and this after a 57 year wait. It is part of our mission as a National Union to perpetuate the history of Law Enforcement in Canada, particularly the history of Canada Customs & Immigration. We were accordingly very proud to honour the courage and dedication of Brother George Arthur Jackman, and it would not have been possible without your work and dedication.

Again, a very heartfelt thank you and may God bless you and all your loved ones.

Sincerely,

Ron Moran
National President
