RE	Employment Equity in the Federal Public Service		

Sisters and Brothers,

Last week the Standing Senate Committee on Human Rights issued its second report on employment equity in the Federal Public Service. The Committee made 13 recommendations, some of which were made on submissions by the PSAC.

The report is attached for your perusal. Lisa Addario, Allison Pilon, Patti Ducharme and Ed Cashman all spoke before the Committee. Please pay special attention to the recommendations which speak to promoting employment equity and tasks the government to make Canada's Human Rights protection system more effective and accessible.

In Solidarity,

Karen Church
